RODEN BUYS INTEREST OF PARTNER IN PLANT OF MODERN LAUNDRY

Mr. E. A. Roden Purchases the Interest of Mr. William T. Martin in the Modern Laundry Company—Deal Closed Saturday.

A deal of considerable interest was consummated Saturday when Mr. Ernest A. Roden purchased the interest of his partner, Mr. William T. Martin, in the Modern Laundry Company of this city.

Mr. Martin has been in bad health for some time and the deal has been on for several weeks. The work as manager of the work at the laundry kept Mr. Martin confined and he realized that his health was failing and thought best that he get away from the close confinement such as in the laundry plant.

Mr. Roden, who for many years has been general manager of the company, is one of the city's most hustling young business men and his many friends congratulate him upon securing the entire plant and are certain that he will meet with much success.

The Modern Laundry is one of the best equipped and most up-to-date laundry plants in the entire state and is handling the Maysville business perfectly. Under the new management the concern will continue to give perfect satisfaction and will no doubt make many other improvements for the benefit of its many customers.

COUNTY COMMISSIONERS WANT MORE ROCK

The regular monthly meeting of the County Commissioners will be held at the Court House Tuesday when matters of important business will be taken up. The commissioners have had much trouble in getting sufficient rock and they are asking that the farmers who can furnish metal for the roads come to the city tomorrow to make contracts for much stone.

BABY McCABE

Mr. and Mrs. James McCabe, of West Third street, are rejoicing over the arrival of a fine baby boy at their home on last Sunday morning.

MR. COX WILL HELP RAISE MILLION DOLLAR FUND

General Leonard Wood Appoints Governor William H. Cox, of This City, His Aide in Kentucky For Raising Large Endowment for University of the South.

Sewanee University, the University of the South, is planning a great campaign throughout Tennessee and the Southern states adjoining that state, where the students from the university live, for the raising of a million dollar endowment and General Leonard Wood, of the United States Army, has been asked by the Chancellor of the University to act as chairman of the special committee for the gathering of this endowment.

General Wood has accepted the appointment and has announced that he will appoint three men in the states adjoining Tennessee to look after the campaign in those states.

Hon. William H. Cox, of this city, has been appointed by General Wood as his aide in the state of Kentucky and General Wood has urged upon Mr. Cox that he accept the appointment and advise him of his acceptance as soon as possible.

INFLUENZA IN JAIL

Two cases of influenza developed in the county jail this morning according to the jail physician. Willett, the South Ripley man, under indictment for stealing from a railroad car and Hitt, serving a term for carrying a concealed deadly weapon, became ill Sunday night and this morning their illness was diagnosed as influenza.

PIANO STORE WILL OCCUPY MARKET STREET STORE ROOM

The store room in Market street now being vacated by the Ryder Paint Store has been rented by the Steinway Piano Company, who now occupy the Donovan building in Third street and they will move their piano store to the new location next Monday.

NEW PASTOR WELCOMED TO MAYSVILLE

The new pastor of the Church of the Nativity, who held his first service in his new church Sunday morning, was greeted by a good number of his congregation and is being given a hearty welcome to Maysville by all of our citizens regardless of denomination.

FUNERAL OF LATE W. D. COCHRAN TO BE HELD TUESDAY

Tributes of Respect From Prominent Men Everywhere Pour in on Bereaved Family—City Will Honor Memory of Prominent Citizen.

The funeral of Hon. W. D. Cochran, who died suddenly early Saturday afternoon at 1:30 o'clock Tuesday afternoon at the First Presbyterian church, of which he was a member, with services by his pastor and friend, Dr. John Barbour. Burial will be made in the Maysville cemetery.

All day Sunday and Monday telegrams of condolence poured in on the family from friends all over Kentucky and in other states. Few men have died in Maysville who have been held in higher esteem all over the nation than W. D. Cochran. Although he was a great lawyer and a powerful politician, he is being looked upon now most generally as a patriot. When informed of the sudden death of Mr. Cochran, Judge Edward W. Hines, chairman of the State Council of National Defense said: "The news is a very great shock to me. He seemed in perfect health in our council meeting Thursday. He was able, wise and good, and during the war had been one of the outstanding patriots of Kentucky. No man in the State has rendered greater unselfish service to his country than he. His associates of the Kentucky Council of Defense, without exception, loved and admired him and his firm common sense, remarkable good judgment and keenness of perception made his counsel of great value. He will be greatly missed."

Mr. Hines immediately telegraphed his sympathy to Mrs. Cochran. The telegram said: "I am shocked and grieved beyond measure to hear of your husband's death. He was with us in our meeting of the Council yesterday. He was one of the strongest and finest characters I have ever known and was the loftiest patriot. He gave his life for his country as truly as the man who died in battle. Regret that sickness prevents me from going to Maysville to pay tribute to his memory in person."

City Will Pay Tribute
The city of Maysville will pay special tribute to his memory on Tuesday. Mayor Russell today issued a special proclamation ordering all city offices closed and calling upon the business men to close their places of business for one hour during the funeral. The proclamation follows:

Proclamation
TO THE CITIZENS OF MAYSVILLE:
Our city has been shocked by the sudden death of one of our most prominent citizens, Hon. W. D. Cochran. No citizen of Maysville was more public spirited than he and no one had a greater civic pride or contributed more to the progress of our city during the past twenty years than this man we mourn today.

Considering his great worth to our city and realizing our great loss in his death, I, Thomas M. Russell, Mayor of the City of Maysville, hereby order that all city offices be closed for an hour from 1:30 o'clock p. m. Tuesday, February 11, until 2:30 o'clock during which time all city officials and employees will attend his funeral at the First Presbyterian church.

I further request all citizens to suspend business during this one hour in honor of this man who has given so many hours during his lifetime to Maysville's development.

T. M. RUSSELL, Mayor
City of Maysville.
Attest: R. B. ADAIR, City Clerk.
Maysville, Ky., February 10, 1919.

Bar Association Meets
At call of Judge John L. Whitaker, dean of the Mason County Bar Association, the members of the bar met at the City Council Chamber this morning to take action upon Mr. Cochran's death.

The meeting was called to order by Judge Whitaker and District Attorney B. S. Grannis was elected chairman and Circuit Clerk James B. Key, Clerk. Attorneys E. L. Worthington, J. M. Collins, Stanley Reed, Judge C. D. Newell and Judge John L. Whitaker, were appointed a committee to draft proper resolutions. The Association will meet again Tuesday afternoon at 1 o'clock to consider the resolutions and they will attend the funeral in a body.

All Banks to Close
Officers of all of the banks in the city Saturday afternoon met and agreed to close the banks at 1 o'clock Tuesday afternoon and they will remain closed all of the afternoon out of respect to Mr. Cochran, who for many years has been connected with the Bank of Maysville.

Building Association Acts
The directors of the Mason County Building Association, of which Mr. Cochran was a director and for which he was Legal Counsel, held a meeting this morning and passed the following resolutions upon his death:

The death of William D. Cochran, our Associate Director, Attorney and Solicitor calls for an expression from this Board of the high esteem in which we regarded him as a citizen, as a friend and particularly as our attorney and Associate Director.

He was elected as a Director in the Association in 1909, and has always been an important factor in its history and advancement and was one of the most efficient members of the Board. His long experience and his fine judgment rendering him a safe and valuable Counselor in the placing of loans and in the business of the Association. We feel that this community has lost one of its best citizens. He was generous in a broad sense, always ready to contribute and assist in every good work to all races, classes and faiths.

J. C. EVERETT,
J. I. SALISBURY,
FERD HECHINGER,
Committee

County Offices Closed
County Judge H. P. Purnell this afternoon issued an order that all county offices be closed Tuesday afternoon from 1:30 to 2:30 so that all county officials might attend the funeral.

Colored Peoples' Tribute
Mr. Cochran was probably the best friend the colored people of Maysville and Mason county had and in giving expression to the grief the colored people feel at his death, Prof. W. H. Humphreys, of the colored schools, today said:

"The loss by death of Mr. Will Cochran is greater and sadder to us, the colored people, than to any other persons—excepting his immediate family and relations. And we feel such a loss too with a depth of sympathy and reverence that no other race is capable of. Our capacity for sympathy and appreciation for a white friend is without bounds. Hence we feel the death of Mr. Cochran as the nation does that of Mr. Roosevelt. "Mr. Cochran came from a line of ancestors on both sides, whose special duty it was to see that all peoples were given the complete benefits of Democracy regardless of color. Mr. Will Cochran's was no exception—only more emphasized. Every public effort in the last twenty-five years for the betterment of the colored people in school, home and church in this city and county received first Mr. Cochran's money and moral support. So many times have I seen Mr. Will Cochran give his dollars, encouragement and words of praise to and for these causes. Not once was he too poor or selfish to lend us financial aid—too busy to give us advice—too much afraid to help us retain our God given rights. He never once used the Negro for the fishes and the loaves—but he has made Negro hearts happier—lives brighter and more hopeful—and more Negro souls better prepared to meet their God than any other white person in this city and county.

"Thus to relieve the wretched was his pride. And ever his failings leaned to virtue's side; But in his duty prompt at every call, He watched and wept, he prayed and felt for all."

CENTENARY GROUP MEET TO BE HELD TUESDAY

Delegates From Methodist Churches in Maysville District Will Meet Here For Conference Tuesday.

The Methodists at the Third Street M. E. Church are busy today making preparations for the entertainment of the Maysville Group Centenary meeting tomorrow. There should be fifty delegates come from churches in this group. The Ladies' Aid Society will serve lunch at noon and a six o'clock dinner, thus giving the delegates an opportunity for a social hour together. Three out-of-town speakers will be here—experts on the Centenary movement. Dr. T. B. Roberts of Lexington will be the speaker on "Life Service". Rev. Peters has been assured from the Columbus Headquarters of two other speakers. A fine program will be given both afternoon and evening. The evening program will begin at 7 o'clock. The big chorus now organized under the leadership of Carl Dadds, assisted by the orchestra will give a fine musical program as a preliminary to the speaking.

As heretofore announced this meeting is open to the public. It is expected of course that every member of the church will be present. Members of other churches are interested in the movement and will like to come. They are cordially invited to share the good things.

12 to 1 p. m.—Lunch.
1 to 1:30 p. m.—Opening Exercises by Rev. W. H. Davenport.
1:30 to 2:30 p. m.—Discussion—Dr. T. B. Roberts.
2:30 to 3:30 p. m.—Centenary Explored.
3:30 to 5 p. m.—Organization of Group.
5 to 5:30 p. m.—Social Discussion.
5:30 to 6:30 p. m.—Dinner. Sunday School discussion by Rev. W. S. Peters.
7 to 7:30 p. m.—Music.
7:30 p. m.—Centenary Speakers on Mass Movement.

C. & O. OFFICIAL IS
EXPECTED THIS WEEK

Mayor Thomas M. Russell is expecting Superintendent W. S. Taylor, of the C. & O. railroad in Maysville, probably tomorrow, to discuss certain important matters with members of council at a committee of the whole. Members of council will be officially notified through the police department of the exact time of this important committee meeting.

BIG POULTRY SHOW OPENS ITS DOORS TO- MORROW MORNING

Every One Should Take This Advantage of the Opportunities Offered to Learn Something More About Poultry and Its Care and Profits.

The members of the Mason County Poultry Association have worked hard to give to Mason county this week a Poultry Show that will be more than local—one that will attract people from this and adjoining states and that will help, in a measure, to establish the name of Mason county in poultry circles as one of the best poultry counties in all of these United States.

Last year, through the efforts of the splendid men and women of the Poultry Association, Mason county adopted one breed as the standard and through their efforts a large number of people purchased pure bred Rhode Island Red eggs and hatched them so that this spring there will be many pure bred pullets in all parts of the county while many more eggs will be purchased and set in an effort to increase the pure bred stock until it is hoped that every farm in Mason county will be specializing on Rhode Island Reds.

The establishment of this annual Poultry Show is but the second step in the plan of these chicken enthusiasts to make Mason county famed for her high class birds. At this show the association has gone to considerable expense to bring to Mason county some of the best known authorities on fowls so that these experts may deliver lectures to assist the people of the county and of other counties in getting the best possible results from their pure bred stock. Those who have already established a flock of pure breeds owe it to themselves to hear every lecture possible at the show and to see the fine chickens grown by their neighbors during the past season as well as the fine registered stock owned by members of the Poultry Association and other breeders throughout this and other states, while those who have not yet adopted the standard breed of pure breeds owe it to themselves to attend the show as much as possible to learn why they should raise pure breeds and give their attention to one standard breed to make the most profit possible out of their efforts.

PHILLIPS' MEAT STORE HAS CHANGED OWNERS

Mr. F. M. Breeze and Son, Arvin F. Breeze, Purchased the Clarence Phillips Meat Store Today.

The Phillips Meat Store in the Caproni building at the corner of West Second and Sutton streets changed hands today when Mr. Frank M. Breeze, who has been employed at the Phillips Market for several months and his son purchased the store.

Mr. Breeze is an experienced butcher and understands the business thoroughly. Through his connection with the Phillips store for the past several months he has become acquainted with the patrons of that store. He is a clever gentleman and will no doubt meet with much success.

Mr. Arvin F. Breeze, popular young Maysville man, who for some time has been employed in West Virginia, will be associated with his father in the management of the meat store.

TEACHERS WILL SEEK
OTHER EMPLOYMENT

The action of the County Board of Education Saturday afternoon in ordering that all schools now closed remain closed until after the present session, releases a number of the county teachers, who will seek employment elsewhere. The teachers will be paid for the full term of school however.

CITY LAW NEEDED FOR
STOCK SALESMEN

It seems as though the present ordinance in Maysville against soliciting for the sale of unlisted stock is not sufficient to prohibit such sale or to at least cause an investigation of the stock before it is sold to our citizens. If the city does not have such a law, council cannot do more to protect our citizens than to enact such a law at an early meeting and nothing will bring greater honor to the members of council.

LADIES' AID SOCIETY
MEETS TUESDAY

The Ladies' Aid Society of the Christian Church will meet Tuesday afternoon at 1:30 o'clock at the church. All members are urged to be in attendance.

Mrs. Julia Cummings is returning to her home in Newport today after a pleasant week spent with relatives and friends here.

Mr. Best Gault, turnkey at the county jail, is ill with influenza.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

GOVERNMENT BY LAW VS. GOVERNMENT BY MEN

Fundamentally, there are two schools of political thought in the United States—one composed of people who believe in government by law and the other of people who believe in government by men. In the class of people who believe in government by men we find the advocates of autocracy, and the I. W. W. The advocates of autocracy include not only those persons in governmental positions who assume to place their own judgment and whims above the law, but also those few leaders of industry on the one hand and those few leaders of organized labor on the other who set out to achieve their selfish ends because they have the power and in disregard of the rights and welfare of the rest of the people of the country.

The anarchist, otherwise known as the I. W. W., or Bolshevik, is an advocate of 'direct action'—that is, the enforcement of his own individual opinion and desire regardless of the will of the majority. The advocate of 'direct action' is not always identified with the I. W. W. organization, for he sometimes gets into official position and proceeds with his 'direct action' principles in the enforcement of his individual will regardless of the will of the people as expressed in form of law. No man who has been observing has failed to recognize acts performed by government officials in the last few months bearing all the characteristics of 'direct action.' It is true that they will not drive spikes in saw-logs or put emery-dust in the lubricating oil of mills, but they none the less effectively set their own personal judgments above the spirit if not the letter of the law, to the injury of property rights just as valuable and just as sacred as the property right in a saw-mill or an iron-working plant.

It makes little difference what badge a man may wear upon his coat or what little he may acquire or assume; if he is a believer in 'direct action', he is in all essential respects an anarchist and an I. W. W.

Fortunately for the future of the American Republic, the Bolsheviks are relatively few. The great mass of the American people are law-abiding. They recognize that our governmental system is not perfect and that many ills remain to be removed; but they believe in going about the curing of ills in an orderly, lawful, sane, and intelligent manner. They deplore 'direct action' as certain to lead to greater injustices than a policy of bearing with ills we have until a remedy can be found and administered.

'Direct action' in the seizure and partial destruction or inquiry of property, or interests therein, has been excused upon the plea that it was necessary as a war measure, but the more the people of the country study the facts the more they are coming to realize that the explanation is an excuse rather than a reason. Having made known their condemnation of 'direct action' when exercised by the more ignorant, and, therefore, less responsible portion of our people, the sober, thoughtful, and truly patriotic citizens should now express in every way in their power, and at every opportunity, their condemnation of 'direct action' when exercised by men in high places. The I. W. W. are few—the advocates of government by law are many. And the many are on the side of right and justice.

BUSINESS

Business men do not know where they are at. Government contracts were cancelled without notice, but the contracts of manufacturers for raw material such as ore, coke, etc., were permitted to remain at prices fixed by the government. After having turned their plants to government uses they are now permitted to hold the bag. This is the usual and notorious method of national control by democrats. They can go along fine when somebody else pays the bills. They advance railway wages but did not meet the payroll by any improved or economical method of conducting the business but by increasing the rates and putting the cost off on the people. A big deficit faces them even after doing this juggling and many and many railroad boys are idle. The facts are the democratic party has always proven a failure in national affairs and history is now only repeating itself. You cannot rob Peter to pay Paul without Peter waking up some day and filing a remonstrance. Peter has begun to shake himself and look about.—Exchange.

DUCKING

The interesting and important fact concerning the resignations of Secretary McAloo and Attorney-General Gregory is that their retirement leaves the defence of their conduct in office in the hands of others; and if the rumor of Secretary Baker's approaching resumption of private station is well founded, the numerous questions that are bound to be asked concerning the administration of the War Department must be officially discussed by one who did not bear the title of Secretary or perform the duties of Secretary during the war.—N. Y. Sun.

INTERESTING PLANS
ARE BEING MADE
FOR SPECIAL WEEK

Father and Son Week Will Be Observed Throughout Kentucky February 11-17—Governor Issues Proclamation.

"Father and Son Week", which has been set for February 11 to 17 to be celebrated in Maysville and throughout the state as never before if plans for the observance of the event which are now under way are carried out.

The purpose of Father and Son Week, a national movement is to strengthen and give expression to the relationship between father and son, which is of such priceless value in the life of every boy to create or renew the ties of every comradeship between the boy and his "dad", which, under the pressure of business life and other affairs are being driven out of the life of both.

It is a week in which every father is urged to become better acquainted with his own son, to get his viewpoint to lay aside the years and live over for a period his own boyhood in the life of the boy in whom he has so large a responsibility.

An interesting program is already being arranged in many cities and communities over the state, which includes a Father and Son banquet an afternoon or recreation together, either in outdoor sports or indoor games and many other features which promise a good time for both the man and the boy.

The movement in Kentucky is being promoted through the Boys' work department of the Y. M. C. A. with the co-operation of clubs, churches, schools and other community organizations.

Mr. R. A. Cochran, is serving as chairman for Maysville and many churches in the city are already being organized to carry out the program.

The fathers in more than one city it is stated, are planning to turn the observance into a sort of welcome to their soldier sons, who are returning from the service of their country and as an expression of appreciation of the noble way in which the boys represented them on the battlefield.

With the greater realization which the war has brought to millions of fathers of how much their sons mean to them and the closer ties which have resulted, leaders of the movement throughout the country are confident that the observance this year cannot fall short of a tremendous success.

Proclamation

No greater problem can engage our serious attention than that of conserving the boy life of our State and Nation; and there has never been a time in our history when the need of this conservation was more apparent than it is today. Therefore, I, A. O. Stanley, Governor of the State of Kentucky, in the hope of arousing the men of the State to a sense of their responsibility toward their own boys and the boys of their community, and in the further hope of strengthening the ties that ought to bind fathers and sons together in good fellowship, do issue this proclamation, and I request that the week from February 11th to 17th be set apart as

FATHER AND SON WEEK

I earnestly urge that such special observances as have been planned by the churches, the Y. M. C. A., the Boy Scouts and other organizations may

Scouts and other organizations may receive the patriotic support of all of our citizens.

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and caused the Great Seal of the State of Kentucky to be affixed in the City of Frankfort, this 31st day of January, in the year of our Lord, one thousand nine hundred and nineteen.

(Signed) A. O. STANLEY, Governor.

URGES STATES TO LEGISLATE
AGAINST SHEEP KILLING DOGS

Secretary of Agriculture Asks Twenty Governors to Recommend Laws That Will Protect Sheep Raisers.

Washington, D. C.—The enactment of more adequate State laws to control sheepkilling dogs is urged by Secretary Houston, in a letter just sent to the governors in 20 States. The Secretary points out that although there has been a gratifying increase in the number of sheep in the United States in the past year, are discouraged in many instances from keeping sheep on account of the danger of damage by dogs. The letters were sent to the governors of Arkansas, Delaware, Florida, Georgia, Indiana, Iowa, Kansas, Louisiana, Maryland, Minnesota, Missouri, New Hampshire, North Carolina, Oklahoma, South Carolina, Tennessee, Virginia, West Virginia, and Wisconsin, where State legislatures are now in session. Following is the letter:

"I understand that many States now have under consideration the matter of legislation to encourage the larger development of the sheep industry by removing or controlling the dog menace. During the past year, as you perhaps know, there has been a gratifying increase in the number of sheep in the United States. There is undoubtedly room in many sections of the country for further expansion along this line, especially in the settled farming areas. The field representa-

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

tives of this department, however, generally report that farmers are discouraged in many instances from keeping sheep on account of the danger of damage by dogs.

"The question seems to be primarily one for consideration and action by the various States. I am, therefore, taking the liberty to bring the matter to your attention, with the hope that you will look into the situation and make such recommendations as may seem wise to the Legislature of the State. May I not, in this connection, call your attention to the carefully drawn and apparently well-enforced laws of several States, notably those of New York and Pennsylvania, which are set forth in the bulletin (Farmers' Bulletin 935.)"

TRAINING SCHOOL FOR KENTUCKY MEN LEAVING THE RANKS

Kentucky Will Train Men to Help Soldiers With Home Problems at Camp Zachary Taylor.

Helping the returned soldier to re-adjust himself to his civilian work and his community life is one of the most important features ever undertaken by the State Y. M. C. A. of Kentucky. The work is a part of a broad plan adopted and largely financed by the National War Work Council of the national Y. M. C. A. of which Dr. John R. Mott of New York is General Secretary. A school to be attended by one representative from every county in Kentucky and delegates from many local churches, Y. M. C. A.'s and other citizens will be held at Camp Zachary Taylor, Louisville, February 17 to 21. In order to see army life as it is and get in close touch with the soldier, the delegates will live in barracks and will eat at an army mess served by the Cooks and Bakers School of the Camp.

The faculty of this State Training School will consist of the following: Dr. E. Y. Mullins, President of the Southern Baptist Theological Seminary and an active Y. M. C. A. secretary, Dr. Dunbar H. Ogden, pastor of the Second Presbyterian Church of Louisville and noted for his activities among the soldiers, Hon. H. V. McChesney of Frankfort, of the Army Y. M. C. A., Prof. F. O. Clark of Berea College, Berea, L. A. Cover, camp musical director at Camp Taylor, V. E. Sharp, camp physical director at Camp Taylor, L. J. Darter of the overseas staff of the Army Y. M. C. A., P. C. Dix, State Secretary of Kentucky and head of the Army Y. M. C. A. work at Camp Taylor C. A. Tevebaugh, Associate State Secretary of the Y. M. C. A., W. I. McNair, General Secretary of the Louisville Y. M. C. A. and others.

The first session of the school will be held Monday morning February 17

at 10 o'clock and the school will close Friday afternoon February 21 at 4 o'clock. In addition to one representative from each county there will be a delegate from every town or city of 800 population or more.

The course of training will consist of an hour of Bible study each day, recreation, outdoor and indoor games, community play, dramatics, community singing, groups for discussion of problems applying to rural districts, small towns, cities, etc., an hour of general conference each day to discuss questions brought up and three addresses a day on such subjects as, "The Religious Life of the New Day," "The Message of Christianity for Social and Economic Reconstruction," "The Returning Soldier and His Relation to the Life of the Community" and kindred topics.

A very important part of the work will be when the delegates each evening get into actual touch with the soldier in the army camp, in the Y. M. C. A. buildings and elsewhere, thus securing at first hand the soldier's viewpoint and his outlook upon his life in the community when he is discharged. At the conclusion of the school the workers will return home and a conference will be held in each county to be addressed by prominent speakers and interest aroused in each community.

A preliminary school for state leaders will be held in Chicago next week at the Y. M. C. A. college for representatives from all states in the Central Army department of which Kentucky is a part. National Association leaders will be present. Those attending from Kentucky will be Dr. Mullins, Dr. Ogden, Mr. McChesney, Prof. Clark, Mr. Sharp, State Secretary, Mr. P. C. Dix and W. I. McNair.

VALUE OF KENTUCKY LIVE STOCK INCREASES

Government Reports Show That Value of Livestock in This State Has Greatly Increased in Last Year.

Livestock on farms in Kentucky January 1, 1919, was worth \$177,396,000 compared to \$158,587,000 January 1, 1918. This was due partly to increased number of all stock except horses, which decreased slightly during the year, and partly to greater value per head of all kinds of livestock in Kentucky compared to prices January 1, 1918. The percentage of increase in value was greatest on milk cows and sheep.

Horses are very little more valuable than in January 1918, the average price being \$104 this year compared to \$101 last year. The average price of milk cows is \$72 a head compared to \$61 in January 1918; other cattle \$42.50 compared to \$39; hogs \$16 a head compared to \$14.50 last year; sheep \$13.10 a head compared to \$11.20 last year; and mules \$127 compared to \$122.

During 1918 hogs on farms in Kentucky increased in number from 1,637,000 to 1,768,000 on January 1, 1919; sheep from 1,213,000 to 1,274,000; milk cows from 435,000 to 444,000; other cattle from 581,000 to 599,000; and mules from 224,000 to 231,000; while horses decreased from 443,000 to 439,000.

PLANNING RED CROSS PEACE PROGRAM

Lake Division officials of the American Red Cross have been asked to be ready to do their part in launching the nation-wide Red Cross Peace Program soon to be announced.

Ohio, Indiana and Kentucky Chapters that have helped in the war-time Red Cross work for humanity will be called on to develop through the peace Red Cross—an even wider service than has ever been attempted by any organization.

Working out the details of such an extensive program necessarily takes time. National headquarters depend on the loyalty and patience of the chapters during the transition period which is almost over.

Mrs. August Belmont, assistant to the chairman of the Red Cross War Council and formerly well known as Miss Eleanor Robson says "We only know that we are going on and that the Peace Program will be very great. So we must wait patiently until the new orders are sent out."

FIGURES PROVE HOW THE ALLIES SWAMPED ENEMY

American Aid Sent Their Armies Up As For Fell.

Washington, D. C., February 8—This story of Germany's supreme effort for military victory in the spring of 1918, of American intervention on the western front, and of the ultimate crushing defeat of the enemy and the apparent annihilation of nearly one-half of his fighting force was graphically told in figures made public today by the war department.

The figures dealt with the "rifle strength" of the allies and the German forces on the western front in monthly periods from April 1 to November 1 and were prepared by the intelligence division of the general staff of the American army in France. By "rifle strength" was meant the "number of men standing in the trench ready to go over with the bayonet." When Germany struck its great blow last spring it had 1,500,000 men so classified, against an allied total of 1,250,000. By June 1 the Germans reached their peak with 1,639,000 rifles, but American aid was over-

coming the handicap and made possible the counter blow delivered in July.

The allied rifle strength on June 1 was 1,496,000. Shortly afterwards the allies reached a total of 1,547,000, composed of 778,000 French, 515,000 British, and 254,000 Americans. America's contribution had risen from 65,000 in April. On July 1 Germany's power had begun to wane and for the first time it was definitely inferior in rifle strength with 1,412,000, compared to 1,556,000 for the allies.

Up to September 1 the allied strength continued to gain despite the desperate counter attack which was being driven forward all along the line. In mid-October the American strength had risen to an estimated force of 350,000. On September 1 the allied line was at its greatest strength with 17,682,000, against Germany's 1,339,000.

While the allies had shrunk in rifles to 1,485,000 on November 1, Germany's last hope was gone, as she faced that army with only 866,000 bayonets.

The sudden decline of the German forces, beginning in June and again apparent in the swift drop during October, was accounted for by the fact that she had drawn into the lines during the spring every available reserve, expecting to smash her way to victory before winter came. These reserves were used up in the German attack and the allied assaults which followed while the American force continued to increase.

In a rough way the American rifle strength has represented about 20 per cent. of the total American force in France continuously. This accounts for the fact that with a total of more than 2,000,000 men in France on November 1, the rifle strength in October was estimated at around 350,000 men.

The total strength of the United States army on November 11, when the armistice was signed and when the American war effort was at its peak, was 3,703,273 officers and men, including the marine corps on duty with the army in Europe.

On that date the American army in Europe was composed of 80,842 officers and 1,86,847 men, while 1,162 officers and 21,072 men were at sea en route to Europe. The marine contingent in the expeditionary force on that date was 1,002 officers and 31,383 men, making the total European army strength either in France or en route there 2,004,935 officers and men.

In the United States on that date were 1,634,499 army personnel and

HIDDEN DANGERS

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are weak. Well kidneys excrete a clear, amber fluid. Weak kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and warn you of the danger of dropsy, gravel and Bright's disease. In that case Doan's Kidney Pills have been endorsed by thousands. Here is a statement of a nearby resident:

Jas. M. Newton, Gum, St., Aberdeen, Ohio, says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited. Whenever my back has been weak or when my kidneys have been too frequent in action, I have used a box or so of Doan's Kidney Pills, which I get at Wood & Son's Drug Store. They have always relieved me in a short time."

The above is not an isolated case. Mr. Newton is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Newton had. 60c all stores. RUNAWAY BOY FOUND

The police this afternoon picked up Smith Hess, fourteen year old and small for his age, at the Liberty Warehouse where he had been working for two days. The boy says he was taken from the Kentucky Children's Home by Leonard Clark, of the Mt. Gilead neighborhood two years ago. Clark was not good to him, the boy said, and he ran away. He will be taken to the County Infirmary and kept there temporarily until officials of the Children's Home are notified.

MOUNTAIN TOBACCO IS DELIVERED ON SUNDAY

HUSBAND SOLD HIS CROP AND RAN AWAY, WIFE SAYS

Mrs. Anna D. Carmichael, of the County, Asks For An Absolute Divorce From Her Husband In Suit Filed Here Today.

Through Attorney Frank P. O'Donnell, Mrs. Anna D. Carmichael, of the county, today filed suit in the Mason Circuit Court asking for an absolute divorce from her husband, John Carmichael.

In her petition the wife states that they were married in Mason county on November 19, 1917, and have lived together continuously in this county since that time.

As grounds for a divorce the wife sets out that her husband has been guilty of a confirmed habit of drunkenness, cruel and inhuman treatment and she also states that on January 22, 1919, without any fault on her part her husband deserted her and their 18 months old child having sold his crop of tobacco. She says he put all of the tobacco money in his pocket and went to Cincinnati where he has taken up his abode with dissolute characters of both sexes.

She asks for an absolute divorce from the defendant, for care and custody of their child and for an allowance for the support of her child to the amount of \$8 per week. She also asks for attorney's fees to the extent of forty dollars and all general, special and proper relief.

CALLED HERE ON ACCOUNT OF DEATH OF W. D. COCHRAN

Mr. and Mrs. George W. Welsh and daughter, Mrs. Louis Rue, of Danville arrived here Saturday to be with Mrs. W. D. Cochran and family in their bereavement. Miss Ellen Cochran arrived Sunday afternoon from Washington and Mr. John P. Cochran arrived this afternoon from Cleveland.

Mrs. Anderson Brock is ill with a severe cold at the home of her daughter, Mrs. R. G. Knox, in Market street.

FUNERAL OF HON. W. D. COCHRAN TO BE HELD TUESDAY AFTERNOON

(Continued from First Page)

Cochran has been called from earthly activity. Forceful as an orator; wise in counsel; sagacious in business; learned in the law; endowed to an unusual degree with a magnetic will, a personality which attracted and tied men to him. The high place held in the community and in the hearts of his friends came naturally from his many noble qualities. A leader of men, in the hour of national crisis his firm hand and fearless heart guided this section through dangers and vicissitudes with the minimum of friction and discomfort.

Now Therefore; Be it Resolved; That this organization has suffered an irreparable loss in the death of this progressive, active director.

That we, his associates hereby express our sorrow and sympathy with his bereaved family.

That a copy of these resolutions be spread upon the minutes of the Chamber of Commerce; a copy be given to the public press and a copy sent to Mrs. Cochran.

S. P. BROWNING,
A. L. GLASCOCK,
JAS. B. WOOD,
Resolution Committee.

It has also been suggested by the Board of Directors that in honor of the memory of Director W. D. Cochran, the members of the Chamber of Commerce close their places of business from 1:30 to 2:30.

Board of Agriculture

The Mason County Board of Agriculture's directorate this afternoon adopted the following resolution:

WHEREAS: It has pleased the Almighty to remove from our midst, by death, our esteemed friend and President, Hon. W. D. Cochran who has for many years occupied a prominent rank in our midst, maintaining under all circumstances a character untarnished, and a reputation above reproach.

Therefore, Resolved, That in the death of Mr. Cochran we have sustained the loss of a friend whose fellowship, it was an honor and a pleasure to enjoy; that we bear willing testimony to his many virtues, to his unquestioned probity and stainless life; that we offer to his bereaved family and mourning friends, over whom sorrow has hung her sable mantle, our heartfelt condolence, and pray that the Infinite God may bring speedy relief to their burdened hearts and inspire them with the consolations that Hope in futurity and faith in God give even in the Shadow of the Tomb.

Resolved, That a copy of these resolutions, properly engrossed be presented to the family of our deceased friend.

Grocers' Association

The Maysville Retail Grocers' Association this afternoon adopted these resolutions:

WHEREAS, By the Divine hand of Providence, our esteemed friend, Hon. W. D. Cochran, has been removed from our midst and we deeply mourn his loss as untiring co-worker, laboring at all times to be of service to the Grocers of Mason county.

Now Therefore Be It Resolved;

That we, the members of the Retail Grocers Association appreciate the great loss, not only to our community and Association but to the entire state;

That we desire in our feeble effort to express to the bereaved family our sorrow and sympathy;

That a copy of these resolutions be spread upon the minutes of the Retail Grocers Association, a copy be given to the public press and a copy sent to Mrs. Cochran.

MAYSVILLE RETAIL GROCERS ASSOCIATION.

W. T. CUMMINS, President.
CARL DODDS, Secretary.

President Cummins of the Grocers Association has asked all the grocers to close their places of business from 1 to 2:30 tomorrow afternoon and to meet at the Chamber of Commerce at 1:15 o'clock to attend the funeral in a body.
